

# 2 KATHERINE COURT

Placitas, NM

4 Beds, 2¾ Baths - 4,007 sq/ft - \$749,000

This single level - no steps - custom home in Placitas' Sundance Mesa subdivision features 360 degree views of the Sandia Mountains, western mesas and Jemez Mountains. Built with meticulous attention to detail and immaculately maintained. The custom touches throughout this home include: large kitchen with granite counters, island with breakfast bar and prep sink, top of the line s/s appliances, RO filtration, custom cabinetry with pull-out shelving, built in desk, large pantry and wine bar with cooler. The expansive family room is open to the dining room and flows seamlessly to the kitchen and other areas of the home. Many windows allow for lots of natural light and showcase the incredible views!
