The owners dream and vision was to create this unsurpassed resort lifestyle centered around entertaining, carefree and relaxed living. Every detail, design element and finish has been painstakingly selected with the utmost thought for unequaled quality, design and construction. Luxury outdoor living begins with lush magnificently landscaped 3 acre property and a fully equipped outdoor kitchen. Lounge on the sun shelf in the gunite, salt water, heated pool with water fall, diving rock and in-pool umbrellas or soak in the nearby hot tub surrounded by complete privacy and serenity. Step into the stunningly updated and remodeled interior of the home and be dazzled by the open concept fl
