

4 Beds - 4 Baths - Office - Den - 4,518 SqFt - 9,607 SqFt Lot

This absolutely exquisite, contemporary masterpiece is situated in the coastal gated community of Ocean Hills and offers the ideal California in-door/out-door living. Step inside this breathtaking residence with soaring ceilings, a floating staircase, custom light fixtures and wall-to-wall sliding glass doors that fully open to a manicured backyard that offers tranquility, privacy and the ocean breeze. The Chef's kitchen with its huge island with sprawling waterfall countertops, Wolf 48" pro range, Sub-Zero 60" refrigerator, and custom cabinets. Transcend into luxury once you enter the master bedroom suite and Spa like master bath. The balcony with its never-ending view is an ideal place to enjoy the sunset or your morning coffee. It's move-in ready to start living your dream.
