Webster defines 'sanctuary' as a place of refuge and protection. Now, discover your own private sanctuary. On Elkhart Lake. This secluded estate is nestled on top of a lush hill surrounded by manicured lawns, fenced pastures and towering pines. The grounds include a 14,000 square foot main house, six stall stable, race car shop, outdoor kitchen, gazebo and, most importantly..... a lakefront lot with a dock on Elkhart Lake - A truly incomparable turn key estate that has been meticulously maintained by its current owners.
