

8 Beds | 16 Baths | 13,200 sq/ft | 19,800,000

This spectacular modern home boasts 360-degree ocean and bay views at every angle. This oceanfront house has beachfront access, located in the prestigious jetty-protected area of Westhampton Beach Village. With 14000 square feet, this 8 bedroom | 16 bathroom home sets the standard of luxury living. Enter through a palatial grand entry foyer filled with bright natural light, up a grand spiral staircase into an elegant living area with bar area, ultra high barrel ceilings and LED lights to highlight the intricate details. An impressively designed kitchen with high end appliances, a Viking stove with oversized hood, stunning ceiling detail and a breakfast nook overlooking incredible views of the Atlantic. Designed for indoor and outdoor living, this home gives access to wrap around porches at every corner, including an extraordinary office with bay views. On the lower level, make yourself at home in the state of the art theatre room or get a daily workout in your private home gym.
