

4 Beds, 3 Baths, 2,150 sq. ft. approx

Location, location, location!!! 93108

Highly sought after turn key one level Ranch home with no steps. Beautifully detailed in neutral tones. Very open floor plan on 1/3 acre of parklike grounds with mature Oak trees. Extensive high quality upgrades throughout. This 4 bedroom, 3 bath, including two that are master suites. New stunning gourmet kitchen with custom Touchstone cabinetry and separate island. Ceramic " Oak " planked flooring throughout entire home. New 4 ton heating and air conditioning, new electrical panel, new water softener, LED lighting throughout and new light weight Bomal concrete tile roof.

Pages of quality upgrades. Just 1.7 miles to the beach!!! Only 5 minutes to upper and lower village.
