

6 Beds, 4 Baths - 3,228 sq/ft - \$1,500,000

Eagles, lighthouse and Mt. Baker views from this single story beachfront home that was originally a single family residence rebuilt into a duplex (or joint home) then later into a condominium joined across the garages for ultimate privacy. Private beach has deck grandfathered in and private trail. Perfect home, condominiums, and Airbnb all in one. Freshly painted, new flooring, separate additional detached garages for hobbies and storage. Unique property and opportunity. Seller says no height restriction.
