

6 Beds, 6 Baths - 4,945 sq ft - \$8,195,000

Views! Views! Views! The most commanding, panoramic views in all of Emerald Bay! Prominently positioned on a flat cul-de-sac, this grand residence showcases sweeping ocean, coastline and Catalina Island views. This masterfully designed home was built in 2000 and features an abundance of natural light and voluminous interior spaces. There are six bedrooms and six and a half bathrooms, including a completely separate guest/maid and quarters. Bonus features include generous view decks, an over sized three-car garage with 16 foot high ceilings and additional storage, plus an elevator that serves all three levels of the home. Emerald Bay is an exceptional, gated residential community with private beach, parks, swim complex, tennis courts and much more.
