Sonoma Villero Unit #2401

2 Beds, 2 Baths - 988 sq ft - Offered at \$415,000

Quiet, updated ground floor unit with level entry has been refreshed with new flooring and paint. The home features tall ceilings and large windows which makes it feel light and bright while the upgraded gas fireplace will keep you warm on cool days. This rare floorplan features two bedroom suites, each with their own private full bath. The main bedroom has new carpet, a generous walk-in closet and large 5-piece bathroom. The 2nd bed is a junior suite with new carpet, a private covered patio and is great as a bedroom or an office (or both). Newly renovated complex with new siding, paint, roofs and more and the special assessment has been paid if full! Community amenities include pool/spa, gym and playground and plenty of guest parking. Visit the community website at www.sonomavillerocondos.com for more community info and to learn about the completed and paid special assessment projects that you will benefit from the PAID assessment.
