Welcome to Carson Park in Lakewood where a wide and long-gated driveway provides extra parking and greets you as you step up onto the front porch and inside to a sizeable living room with a large picture window allowing in lots of light and sunshine. An open concept kitchen has a roomy dining area and breakfast bar and flows into a gourmet kitchen with recessed lighting, granite countertops, tile backsplash, and beautiful light wood cabinetry. At the other end of the kitchen is another granite-topped island and eating bar that overlooks a spacious family room with an open beam ceiling, a cozy fireplace, and an alcove that houses the laundry area. A side door off the kitchen and two large French doors in the family room take you outside. Additionally, just off the kitchen is a three-quarter bath with a step-in shower, offering convenience to the family and guests alike. The private living quarters include three good size bedrooms, all with ceiling fans, a hallway with built-in linen sto
