

14897 ROOSTER ROCK AVE

Aurora, OR

4 Beds, 2 Baths - 2,384 sq ft - \$695,000

Come fall in love with our modern farmhouse just minutes from I-5. Mt Hood sunrise view. The primary suite on the main features a vaulted ceiling, garden tub, walk-in shower with rainshower head, quartz countertops with dual sinks, a large linen closet, and walk-in closet with custom built-ins. The kitchen is stunning with room to gather. There is an island with seating for four, a farmhouse sink, quartz countertops, slideouts in lower cabinets, walk-in pantry, double oven, hood, built-in microwave, and stainless steel appliances [refrigerator included]. The office off the foyer has French doors. Relax on the covered back patio. The 2022 custom top-quality shed is built to match the house and has a concrete floor. Stamped concrete driveway extension, with a pathway around to the back patio. Enjoy the variety of the custom landscaping complete with zonal drip irrigation. The yards have a sprinkler system. No HOA.
