

Welcome to this absolutely stunning Mid-Century Modern California Bungalow Pool and Spa Home nestled atop a breathtaking tree-lined street in the coveted Valley Glen Community. This exquisite, primarily solar-powered, gated property is an oasis for your senses. Featuring lush meticulously manicured grounds and a lovely drought resistant landscape in the front yard. Upon entry you are greeted by a warm light and bright ambiance that continues throughout the home w/a beautiful skylight and generous recessed lighting. The front of the home features a deluxe suite-like area with a quaint corner office, a handsome full bath, and a good-sized bedroom w/walk-in closet and its own entry. The finished garage has been reimagined w/rich wide-paneled laminate flooring into a state of the art fitness center and storage Mecca w/sliding closets and an expansive attic that is easily accessed by the drop down ladder. The spacious Open-Concept Chef's Kitchen features double ovens, a 5-burner built-in gas cooktop, and a breakfast bar and it flows beautifully to the substantial dining area perfect for intimate casual dining or enjoying meals for large gatherings. The spacious living room offers vistas of the shimmering salt-water pool and is accentuated by soaring ceilings with magnificent wood beams and tongue and groove woodwork and features a bold sweeping gas and wood-burning fireplace. Bracketed-Double-French-Doors open out to the pool and spa area where you can relax poolside on a chaise lounge, have a bbq with friends, and socialize with guests. The Master Retreat boasts 3 closets, including a large walk-in w/custom build-outs, a lux bath w/dual basin vanity, steam shower w/jetted jacuzzi tub, a heavenly view of pool, and grand access through the double French Doors out to the back patio. Systems upgrades include owned solar thermal panels to heat the pool, 48 Sunrun solar panels providing 70%-80% of power used, upgraded 220Amp electrical panel, 210 volt rapid charging outlet w/cost savings Time of Use Meter, newer roof, dual pane windows, and partial copper plumbing.
