Choose your finishes and make this 3+ bedroom, 3.5+ bathroom, Breckenridge floor plan with endless natural light designed by Monica Breckenridge and built by Black Oak Homes your dream home today! The open-concept kitchen with huge walk-through pantry and dining room are ideal for entertaining. The rear deck provides ample space for outdoor entertainment too or a place to simply sit and enjoy the fresh mountain air. Indoors the grand yet cozy two-story fireplace surround creates a stunning and comforting living space. The main-level primary bedroom is the perfect retreat! It features an inviting and warming fireplace, incredible walk-in closet and spa-like primary bath with large walk-in shower with dual shower heads and soaking tub. The main level also offers two additional bedrooms with a jack-and-jill bathroom and an office (or another bedroom), but thatandrsquo;s not all! On the main level is an enormous laundry room with room enough for two stacking washers and dryers, si
