

11921 WOODRIDGE

Black Forest, CO

4 Beds, 3 Baths - 4,087 sq ft - \$1,242,000

This fabulous ranch style home brings every element of comfort and functionality together. Large covered front porch opens to a gracious foyer with coat closet, glance up to find 13' ceilings, notice solid wood beams- nothing faux here- through the family room as they enhance the floor to ceiling stone fireplace. Super-sized quartz island brings everyone together to chat about their days, prep and cook together or simply enjoy a casual meal. Room for everyone to get in on the action when cooking with a kitchen made for quality time together, supplies are just a step away in the walk-in pantry and the informal dining room provides you easy access to the covered deck - a gas line is already included for your BBQ. Your owner's retreat quickly becomes the place you want to be after a day filled with the world, vaulted ceilings, gracious walk-in closet, huge zero entry tiled shower, lots of vanity space, bidet and an incredible soaking tub. The main level also has another gracious-sized
