

1334 N. LADONIA DR.

Pueblo West, CO

3 Beds, 2 Baths - 1,631 sq ft - \$396,800

Simply sophisticated! This beautiful ranch-style home is waiting for you to customize! As you enter the home, you will find a large Living room with carpeted floors that is open to the Dining area and Kitchen. The Dining area has a walk-out and beautiful tile flooring. The Kitchen has a large center island with counter bar seating, stainless steel appliances, stunning staggered cabinets with crown molding, granite countertops, a pantry and a window over the sink that looks out to the backyard. The cool color scheme features white doors and blue cabinets. The Master Suite is very spacious, adjoining a 5 pc Master Bath and a walk-in closet. There are 2 other bedrooms, a full bathroom and the laundry area. Everything is on the main level with no stairs! The 3 car attached has 2 openers. The house has a full crawlspace under the house for plenty of storage. The entire house is only on electric with mini splits in each room for heating/cooling that are individually controlled. Located in be
