

3 Beds, 2 Baths - 1,600 sq ft - \$335,000

Step inside the beautiful Cactus Bloom, a ranch style home with three beds and two baths. From the front door it welcomes you into a living room overlooking the kitchen area. The kitchen offers a farmhouse sink and plenty of cabinet storage abound in the kitchen along with a gas range and new refrigerator. From the kitchen and dining area you enter a spacious family room, great for entertaining. The laundry room is conveniently located from the kitchen and offers a door to the back. Next to the family room you'll find a full bath and two bedrooms. The primary bedroom is located opposite to the other two bedrooms and family room, giving you a retreat with its own en-suite and walk-in closet with a mudroom style bench and garment hanger. Located on a lot with amazing views of Pikes Peak, the Wet Mountains, the Sangre de Christos, and the Spanish Peaks. Home is wired for A/C and has exterior spigot and GFCI receptacle.
