

# 18320 TABLE ROCK ROAD

# Colorado Springs, CO

6 Beds, 5-3/4 Baths - 5,977 sq ft - \$2,000,000

Imagine driving into your private sanctuary, through the pine trees of your lushly landscaped Five Acres, where a fork in the road directs you to either your Main Home Residence or to your Enchanting Guest House. Located in the beautiful Black Forest of Colorado, step into your residence and be enveloped by glossy wood finishes, a soaring natural stone fireplace and an impressive two-story wall of windows showcased in the Grand Room. The kitchen offers generously sized granite counters, Thermador gas range and double oven, two sinks, Alder wood cabinetry, KitchenAid appliances, and an instant hot water tap to whip up a gourmet masterpiece! The main level is completed with a formal dining room with a view of the curved staircase, guest room/executive office and full bath. Upstairs welcomes you to a resort style master suite with gas fireplace and spa-like bath. Also on the upper level, the convince of a full laundry room, two additional en-suite bedrooms, and an open loft space
