

5 Beds, 2 Baths - 2,698 sq ft - \$445,000

The open concept living room flows into the dining room and updated kitchen with a walk-out to the gorgeous deck featuring a slide for the kiddos. Plank tile on the main level with like new carpet in the bedrooms. The master bedroom has a full updated bath with double sink and walk in closet. On the main level you have 3 bedrooms and guest bathroom with a split floor plan. The fully finished basement has a second living space that is large enough for a game room or entertaining room with a walk out to the back yard. Also, in the basement you have 2 large bedrooms and a full bathroom. The home has a newer hot water heater 2021, newer furnace 2019, newer roof 2017, Central AC and paid off SOLAR PANELS. The property has mature landscaping with lots of trees and a sprinkler system. You will love sitting on the deck or patio in the backyard enjoying the view. Come see this move-in ready well-maintained home to call your own.
